What is a Coach?

“one who instructs or trains; especially one who instructs players in the fundamentals of a competitive sport or directs team strategy”

- Merriam-Webster Dictionary

What our clients are saying:

“I highly recommend Gregg of Vertical Vision. My company has used him and found him to be reliable, trustworthy, and results oriented. We first used Gregg's services in 2002 and have continued to use his services. **Top qualities:** Great Results, Personable, High Integrity”

- Guy Nadeau - President Giant Audio Visual

“Gregg has worked for Jersey Eagle Sales for approximately two years. He is the 4th coach that I have worked with here and has taken this Company so much further than any of the other coaches in the short time he has been working with us. He is very detail oriented, knows what he is doing and has taken us to a new level of efficiency. His ability to teach people and his availability to employees is unsurpassed.”

- Jay Yule - VP Administration Jersey Eagle Sales

Small Business Coaching

In small business coaching, one of our business experts will meet with you and your staff on a regular basis. We look at how you do business, what it is that your company does, what makes you different, staffing, marketing, cash flow, customer base, and more.

We work with you to develop and implement new ideas and plans that work the way you do. These new ideas and plans will be developed to help your business grow and become more profitable.

Business is competitive; your competition is always looking for an edge. Vertical Vision will help you and your team to develop the winning edge you need.

We help you grow your client base, retain customers, and increase profits.

Make coaching a priority. Coaching is an investment in your future. Your investment with Vertical Vision will pay dividends that far exceed the fee. Call Vertical Vision today. Make success your priority!
